Dear Friends :

Congratulations on receiving a 2013 Southwest Florida Readers' Choice Champion Award in the Private Country Club Category. Best wishes in your business endeavors. Your efforts, along with the Sunshine State's economic turnaround, are making Florida the best place in the nation to live, work, and raise a family.

Opportunities are growing for Florida families to pursue the American dream. With the lowest unemployment rate since September 2008, we remain focused on creating jobs for Florida families, and our policies to create opportunities across the state are working. While Florida's unemployment rate remains below the national average for the fourth consecutive month, we will continue working tirelessly to continue the long-term trend of decreasing unemployment throughout the Sunshine State. My top priority is making sure Florida families can pursue their dreams by getting a great job and having access to a quality education.

Your efforts in your community are making a difference. You have my best wishes for the greatest success.

Sincerely,
